DISNEP'S THE LITTLE MERCAGED A BROADWAY MUSICAL

HARRIS CENTER FOR THE ARTS AT FOLSOM LAKE COLLEGE March 1 – 10, 2019

A Note From The Director

~and I will be part of your world.

Hans Christian Andersen wrote *The Little Mermaid* in 1836. As with most fairy tales of the time, it did not have a very joyful ending.

In 1989, *The Little Mermaid* became Disney's 28th animated feature film to be released. It had a far more joyful ending! The movie grossed \$211 million worldwide and marked the start of the era known as the Disney Renaissance.

Nineteen years later, in 2008, Broadway welcomed the stage adaptation of the film to the Lunt-Fontanne Theatre, where it ran for 735 performances.

It is no small feat bringing this story to life.

How do you create an underwater world on stage? How do you bring to life sea animals and mystical characters? How do you make a beloved animated film into a live, theatrical experience?

By using the superpower that is imagination. Fortunately, we have quite a contingent of people with that superpower! And, this is a show of many firsts for us.

Though all of our staff have gone above and beyond, this show posed new challenges for some departments.

Our costume department has been particularly creative and prolific for this show. Our costume designer and a troop of fabulously dedicated people have worked countless hours and have truly outdone themselves.

Over 425 yards of fabric were purchased from Los Angeles, San Diego, and Arizona for the 271 costumes that were made in our shop. 166 headpieces have been built. There are 43 wigs, all of which needed to be styled. This is the first time we had to ask ourselves, "How does a performer do a quick change on stage, in the air?"

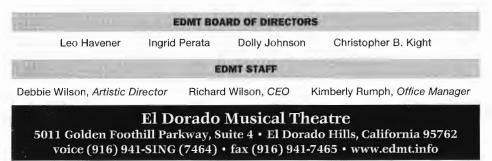

The hours spent designing, building, painting, plastering, and decorating the set is more than we can count. This production features EDMT's first automated set piece. It is the boat seen in "Kiss the Girl" that we have nicknamed "Roboboat." Creating Roboboat was a huge undertaking. Fortunately, we know a couple of geniuses who made it possible!

Speaking of new challenges, the projections designer had the task of making the transitions from land to sea well defined and clear to the audience. The projections in this show have more animation than any previous EDMT production.

As the curtain rises, please allow your imagination to lead you through this story about and a girl who has the determination to go after her dreams, and a father who is blinded by his love for his daughter. No matter how much we love someone, we can't always protect them. Sometimes we have to let them go, so that they can flourish. I hope you get swept away to another world in another time as you go on this journey with us under the sea.

With Love and Light,

~Debbie Wilson

Debbie Wilson DIRECTOR

One of the founders of EDMT, Debbie has been the artistic director for eighteen years, and has led EDMT to become one of the premier musical theatre companies for youth in the Western United States. She has further helped performers obtain crucial skills by founding EDMT's Performing Arts Institute in 2003.

While musical theater is Debbie's first love, she has wide-ranging experience including large-scale choreography for events ranging from the Olympics and Superbowl to the World Cup, Pro Bowl, and San Francisco Black and White Balls.

In theater, she has performed in, directed and/or choreographed hundreds of productions including: 42nd Street, Pippin, Oklahoma!, Thoroughly Modern Millie, Peter Pan, Seven Brides for Seven Brothers, West Side Story, Chicago, Follies, Les Misérables, A Chorus Line, Hairspray, and Anything Goes with Chita Rivera.

Debbie is the recipient of sixteen regional theatre awards for choreography, direction, and performance. She has been honored by the Interfaith Bureau of Sacramento and the California Assembly for her work with young people.

Her students have gone on to perform on Broadway, in national tours, in international concert tap companies, modern dance companies, on cruise ships, and in TV and film.

Debbie taught for American Musical Theater of San Jose and was dance chairperson for the professional training and summer youth programs for twenty years. She also headed the dance department at Lincoln High Performing Arts Magnet. She has taught for many prestigious youth organizations and has been recognized repeatedly for her excellence and contributions to youth.

Debbie is proud to be a founder of El Dorado Musical Theatre and its artistic director. She lives in El Dorado Hills with her daughter Anjie Rose and her son Zachary.

Anjie Rose Wilson CHOREOGRAPHER

Anjie went to her first EDMT rehearsal the day after she turned six and this year marks her 18th year with EDMT. Dedicated to dance, Anjie Rose Wilson has studied jazz, tap, ballet, hip-hop, and lyrical styles for over seventeen years.

She has been on staff for EDMT's training shows for ten years; starting as the assistant choreographer, and later becoming the programs's primary choreographer. Anjie has been apprenticing for years as the assistant choreographer and associate choreographer for almost twenty EDMT Main Stage, Rising Star, and Encore productions as well as for High Voltage. *Disney's The Little Mermaid* marks the fifth EDMT Main Stage production she has choreographed.

Anjie has been an instructor for EDMT's Performing Arts Institute since 2012 and she teaches a range of classes starting with four- to six-year-olds through the older teens. Her classes challenge even the more seasoned performers and the fittest young dancers. Some might refer to her classes as "dance boot camp." She has gone to New York City to participate in the audition-only Rockette Summer Intensive for four years. Starting from it's inception, Anjie spent eight years as a member of El Dorado Musical Theatre's Tour Group, High Voltage, and now co-choreographs their shows.

Anjie has been in 50 EDMT productions in roles such as Dolly Levi/Hello, Dolly!, Morticia Addams/The Addams Family, Sharpay Evans/Disney's High School Musical, and Mrs. Meers/Thoroughly Modern Millie.

Karen owned the award-winning children's boutique, Starlight Starbright, for 14 years and just recently retired. She studied voice at the University of Michigan and the University of Arizona and is a classically trained soprano.
