**Tecum Principium**

The power to rule is with you on the day of your strength,  
In the splendor of the holy ones;  
I have begotten you from the womb before the rising of the day-star.

**Fengyang Song**

Gongs and drums are in my hands, I am singing a song while playing drums  
and gongs. Other songs I don't know how to sing, I can only sing a Fengyang  
song.

**Matona, Mia Cara**

Matona, mia cara, Mi follere canzon,  
Cantar sotto finestra, Lantze bon  
compagnon.

My dear lady, hear my song,  
Sung under your window, to win  
you as companion

*Don don don, diri diri don don don don.*

Ti prego m'ascoltare, che mi cantar  
de bon,  
E mi ti foller bene, come greco e capon.

I beg you to hear the good  
things I sing,  
And I wish you well

*Don don don, diri diri don don don don.*

Comandar alle cacce, cacciar, cacciar  
con le falcon,  
Mi ti portar becacce, grasse come  
rognon.

When I go to hunt, to hunt with  
the falcon,  
I will bring you woodcocks, fat  
as kidneys

*Don don don, diri diri don don don don.*

Se mi non saper dire, tante belle rason,  
Petrarcha mi non saper, Ne fonte  
d'Helicon.

If I don't know how to say all the  
beautiful phrases,  
it's because I don't know Petrarch  
or the muses of Helicon.

*Don don don, diri diri don don don don.*

Se ti mi foller bene, mi non esser  
poltron,  
Mi bacciar tutta notte ballar, ballar,  
ballar come monton,

If you wish me well, you won't want  
me to look a fool,  
I shall kiss all night, dancing like  
a bronco.

*Don don don, diri diri don don don don.*
