THE VOCAL ART ENSEMBLE (VAE) is an *a capella* adult chorus of trained musicians dedicated to presenting varied repertoire meticulously prepared and lovingly performed. VAE toured Ireland in 2010, and was awarded the American Prize: Special Citation for Unique Programming and Collaboration in 2012. VAE will celebrate its 5th anniversary with a choral program on the five elements of the Japanese Godai; these special gala concerts will only run May 24-26, 2013, so please save the dates!

RAY FRANK (GUITAR^{1,6}) began playing guitar in 1954 in New York City. Since then he has worked as a luthier, recording artist, studio musician, record producer, contest judge, and teacher.
