THE VOCAL ART ENSEMBLE (VAE) is an *a capella* adult chorus dedicated to blending musical artistry, passion, and camaraderie – to create, to grow, to connect, and to enliven the human experience. Since inception in 2008, VAE has toured Ireland, England, and Scotland, and was nationally recognized by The American Prize. To audition or for more information, please visit WWW.VAE.TRUG.COM

RENÉ JENKINS' rich musical career ranges from playing back-up trombone for Natalie Cole and Johnny Mathis to performing sound healings with didjeridus and Mayan drone flutes, grounded in Q'ero traditions of Peru.
