Our Featured Performers

Four Voices is an a cappella vocal group founded in Cleveland, Tennessee. This foursome met as members of the Internationally acclaimed Voices of Lee. They are the first quartet in the history of the Barber-shop Harmony Society to win the prestigious gold medal in both the collegiate and International men's competition. They are known for their distinctive sound, exciting arrangements, and a passionate delivery. Four Voices has performed in concert halls, corporate venues, on television, and in churches across the globe.

Four Voices is —

Brandon Guyton lives in St. Louis Missouri where he works professionally in the field of audio production.

Chad Guyton lives in Cleveland Tennessee where he works as the Coordinator of Media for COG Communications and Creative Director for 501 Production Studios.

Lester Rector lives in Orlando Florida where he is a featured performer at Disney and tours professionally with his wife Holly as founders of Face 2 Face ministries.

Jayson VanHook lives in Cleveland Tennessee where he works as the Vice President for Information Services at Lee University.

What do you get when you mix four extremely talented guys who like to color outside the lines? Meet Artistic License – a quartet from the greater Sacramento area who are the 2011 Far Western District Champions of the Barbershop Harmony Society. These four die-hard entertainers inject their passion for vocal harmony into every moment on stage and just can't wait to share a musical experience with you.

Bass Jason Dyer is off the charts in his musical ability and recently finished his music degree at CSU Sacramento. He's an active barbershop arranger (you'll hear some of his charts tonight) and spends his days in restaurant management. Baritone Gabe Caretto is the Music Director of the award-winning Voices of California. When not singing, Gabe is the Controller of a large architectural design firm. One of the things that sets Gabe apart musically is his versatility, as he's competed on stage on all four voice parts. Lead Rich Brunner earned his music degree way back in the day, but instead followed the money and got into technology. He's now the VP of Systems for a large Business Process Outsourcing firm. He's also known to effectively cram 28 hours into every day! The dashing Tenor is the legendary Todd Kidder, who comes from a barbershop family and has been singing barbershop since age 4 (he even sang on the old Ed Sullivan Show!). Todd's been a Law Enforcement Officer for over 26 years, and is currently a Sergeant with a Northern California Police Department.

Together these four really nice guys are invested in providing strikingly musical and entertaining performances. They have a blast singing together and, while they don't take themselves too seriously, they are very professional in their approach to improvement. Above all, they know that their music is only worthwhile if YOU enjoy it. So welcome to the world of ARTISTIC LICENSE...

YOUTH IN HARMONY

Memories from Youth Harmony Camp 2012

Youth Harmony Camp is a weekend retreat for high school-aged boys to experience the thrill and joy of "ringing a chord" in the barbershop style.

We bring four of the best, most talented and experienced barbershop clinicians along with two of the top quartets in the world — this year **Storm Front** will be with us — along with about 100 high school boys for a weekend and let the magic happen. And boy, does it ever happen! The boys are virtually hot dipped in barbershop music, barbershop harmony, barbershop culture and **fun!** The boys learn and perform several classic barbershop songs as a full chorus, they participate in several classes that help them with their vocal production (singing). They sing tags and more tags — tags are just the ending phrases of songs — always the best part of most songs.

Harmony Camp 2013 is happening September 20-22, 2013, at the Sly Park Educational Center in Pollock Pines, California.

See our barbershop Harmony Society Far Western District website: www.bhsfwd.org/ymih/camp/ or contact Richard Lund at rlund@innercite.com or 530-621-1904 for more information.

Don't miss it! Did I mention that it's **FUN!**
